

Magellan Complete Care of Virginia Earns Full Accreditation from the National Committee for Quality Assurance

August 6, 2020

PHOENIX--(BUSINESS WIRE)--Aug. 6, 2020-- [Magellan Health, Inc.](https://www.businesswire.com/news/home/20200806005094/en/) (NASDAQ: MGLN), today announced its managed care health plan subsidiary, Magellan Complete Care of Virginia (MCC of VA), has earned Medicaid HMO Accreditation and the Long-Term Services and Supports Distinction from the National Committee for Quality Assurance (NCQA).

"We are honored to receive Full Accreditation from the NCQA, reinforcing our teams' hard work to safeguard and provide a consistently high quality of care to those we serve," said Joy Bland, vice president of quality, Magellan Complete Care. "We appreciate NCQA's rigorous standards that demand continuous quality improvement, and our team is motivated to use these standards on a daily basis in support of our members."

The goal of MCC of VA is to help solve the many challenges associated with the healthcare needs of lower income individuals, many of whom face complex conditions that impact their physical health and mental well-being. MCC of VA recognizes that improvements in overall health and wellness frequently involve support from families, communities and even the workplace.

"This achievement demonstrates our commitment to NCQA's standards as we strive to help our members live more healthy, vibrant lives," said Darrin Johnson, chief executive officer, MCC of VA.

NCQA is an independent, not-for-profit organization dedicated to assessing and reporting on the quality of managed care plans, managed behavioral healthcare organizations, preferred provider organizations, new health plans, physician organizations, credentials verification organizations, disease management programs and other health-related programs. NCQA reviews include rigorous on-site and off-site evaluations conducted by a team of physicians and managed care experts.

About the National Committee for Quality Assurance (NCQA): NCQA is a private, non-profit organization dedicated to improving health care quality. NCQA accredits and certifies a wide range of health care organizations. It also recognizes clinicians and practices in key areas of performance. NCQA's Healthcare Effectiveness Data and Information Set (HEDIS®) is the most widely used performance measurement tool in health care. NCQA's [website](https://www.ncqa.org/) contains information to help consumers, employers and others make more-informed health care choices.
