

Magellan Federal Earns Military Friendly® and Military Times' Best for Vets Employer Designations

December 12, 2023

FRISCO, Texas – December 12, 2023 – [Magellan Health, Inc.](#), is proud to announce that its subsidiary, [Magellan Federal](#), has been honored with the [2024 Military Friendly® Employer](#) at the gold level, and the [2023 Military Times' Best For Vets](#) employer designation. This is the third consecutive year that Magellan Federal has been recognized as a Military Friendly® employer and its first year on the *Military Times'* Best for Vets Employer list.

"At Magellan Federal, we are honored to receive these prestigious awards that demonstrate the value we place on hiring and supporting the military community," said Anna Sever, president, Magellan Federal. "Being ranked on both the Best for Vets and Military Friendly® lists highlights our understanding of the sacrifices and commitment of military services members. The veterans, military spouses, caregivers, and others we bring onboard not only exhibit specialized skills that complement and improve our capabilities, they come with an unmatched dedication to the mission of serving the military community."

Companies earning the Military Friendly® Employer designation were evaluated using both public data sources and responses from a proprietary survey. More than twelve hundred companies participated in the 2024 Military Friendly® survey. Methodology, criteria, and weightings were determined by VIQTORY with input from the Military Friendly® Advisory Council of independent leaders in the military recruitment community. Final ratings were determined by combining an organization's survey score with an assessment of the organization's ability to meet thresholds for Recruitment, New Hire Retention, Employee Turnover, and Promotion & Advancement of veterans and military employees.

The *Military Times'* "Best for Vets: Employer" is an annual award given to the highest-ranking employers nationwide. The rankings are calculated based on weighted scores within domains such as recruitment and employment practices, retention and support programs, employment support for Guard and Reserve employees, and general inclusive workplace policies.
